THE QUESTIONNAIRE	5
PARTICIPANTS.....	7
CHARACTERISTICS OF THE SAMPLE	9
SUMMARY OF MAIN FINDINGS	10
Chapter One: Compensation, Royalties and Grant Income	12
Question One: About what percentage of your remuneration is derived from research grants? If, for example, you are guaranteed an institutional salary of \$65,000 regardless of research funding and earn an additional \$65,000 from a share of research grants, then the answer would be 50%	12
Question Two: Over the past three years, how has the composition of your compensation changed?	15
Question Three: How do you expect it to change in the future?.....	19
Chapter Two: Patents, Licensing and Intellectual Property.....	23
Question Four: Have you ever earned any income from patents, licenses or other forms of intellectual property derived from research in which you participated?	23
Question Five: If so, approximately how much have you earned cumulatively?	25
Question Six: What do you think of the fundamental fairness of the manner in which faculty share (or do not share) in the patents, licenses or other intellectual property that they develop?	26
Question Seven: Does your university have a technology transfer or other type of office devoted to helping faculties to develop or commercialize their technology?	29
Question Eight: If so, what do you think of the effectiveness of this office or other entity designed to help develop or commercialize intellectual property developed by faculty at your institution?	31
Question Nine: Which phrase best describes your attitude towards this office or other office that fulfills this function?.....	35
Question Ten: How many invention disclosure reports have you filed in your academic career?	38
Question Eleven: Have you ever had a conflict or disagreement with the university at which you work over who controls rights or royalties to patents, inventions or other forms of intellectual property that you developed or help develop?.....	40
Question Twelve: How clear do you feel the rules and contractual obligations that you have concerning the ownership of intellectual property that you develop or help to develop?	43

TABLE 8.8:	HOW CLEAR DO YOU FEEL THE RULES AND CONTRACTUAL OBLIGATIONS THAT YOU HAVE CONCERNING THE OWNERSHIP OF INTELLECTUAL PROPERTY THAT YOU DEVELOP OR HELP TO ...DEVELOP? BROKEN OUT BY ANNUAL INCOME OF PARTICIPANT.	45

THE QUESTIONNAIRE

1. About what percentage of your remuneration is derived from research grants? If, for example, you are guaranteed an institutional salary of \$65,000 regardless of research funding and earn an additional \$65,000 from a share of research grants, then the answer would be 50%.
2. Over the past three years, how has the composition of your compensation changed?
3. How do you expect it to change in the future?
4. Have you ever earned any income from patents, licenses or other forms of intellectual property derived from research in which you participated?
5. If so, approximately how much have you earned cumulatively?
6. What do you think of the fundamental fairness of the manner in which faculty share (or do not share) in the patents, licenses or other intellectual property that they develop?
7. Does your university have a technology transfer or other type of office devoted to helping faculties to develop or commercialize their technology?
8. If so, what do you think of the effectiveness of this office or other entity designed to help develop or commercialize intellectual property developed by faculty at your institution?
9. Which phrase best describes your attitude towards this office or other office that fulfills this function?
 - a. I am not really familiar with this issue
 - b. The university does virtually nothing in this respect
 - c. The office is more or less ineffectual
 - d. The office is helpful
 - e. The office is quite professional and effective
10. How many invention disclosure reports have you filed in your academic career?
11. Have you ever had a conflict or disagreement with the university at which you work over who controls rights or royalties to patents, inventions or other forms of intellectual property that you developed or help develop?
12. How clear do you feel the rules and contractual obligations that you have concerning the ownership of intellectual property that you develop or help to develop?
 - a. Very clear
 - b. Generally clear
 - c. Sometimes clear sometimes not
 - d. Often unclear
 - e. Unclear

PARTICIPANTS

The survey has participants from the following institutions:

Baylor College of Medicine
Brown University
Case Western Cleveland Clinic
Case Western Reserve University
Cincinnati Children's Hospital Medical Center
George Washington University
Lake Erie College of Osteopathic Medicine
Medical University of South Carolina
Meharry Medical College
Michigan State University
Monash University
Morehouse; LECOM Bradenton
Northwestern University
Robert Wood Johnson University Hospital
Rush University Medical Center
SUNY Upstate Medical University
Temple University
Texas A&M College of Medicine
Touro University College of Osteopathic Medicine-CA
UMass Medical School
University of Cincinnati
University of Illinois College of Med Peoria
University of Wisconsin-Madison
University of Colorado Health Science Center
University of Arizona College of Medicine
University of Arizona Health Sciences Center
University of Auckland
University of California Davis Medical Center
University of California Los Angeles
University of California San Francisco
University of Cincinnati
University of Edinburgh
University of Iowa
University of Kentucky Medical College
University of Minnesota
University of Newcastle
University of Pennsylvania
University of Pittsburgh School of Medicine
University of Southern California
University of Texas Health Science Center
University of Texas Houston Medical School
University of Texas Medical School Houston
University of Virginia
University of Washington, School of Medicine & Pharmacology
University of Western Australia
University of Texas Health Science Center San Antonio
UNTHSC Fort Worth/TCOM
UNTHSC Texas College of Osteopathic Medicine
UT Southwestern Medical Center at Dallas
University of Texas Medical Branch at Galveston
University of Wisconsin School of Medicine and Public Health
Virginia College of Osteopathic Medicine
